Masjid Fundraiser

Alhamdulillah

By the Grace of Allah, the Muslim community of the greater Augusta, Maine area has purchased six acres of land on which we intend to build a small Masjid. It is located about one mile from the center of the city and is a one minute walk from the middle/high school. It is located on a dead end street that has ample on street parking. The land is large enough to build a small building and parking lot with plenty of room for future expansion.

To date we have raised over \$95,000 toward the goal of demolishing some existing structures and building a 1200 sq. ft. building, a parking lot, and a septic system. The estimated total we will need will be approximately \$155,000. This leaves a balance of nearly \$60,000 left to raise. With the help of Allah and your financial contribution we intend to start building before the end of summer.
